

# Fibreboard

Furniture manufacturers have used our 100% recyclable FSC® certified fibreboard for several decades due to its level of durability and versatile properties which enable it to be cut and shaped into various forms and sizes.

## About Us

Anderton Board are a family owned, independent UK business, established in 1850. Known for our flexibility and reliability, we serve as an agent, merchant and converter of solid board and packaging and represent some of the world's leading mills.
