

Kraft Board and Paper

Our 100% recyclable kraft board and paper is a durable paperboard made from unbleached wood pulp. This material's natural look particularly appeals to environmentally conscious consumers and businesses seeking sustainable solutions. It's high tensile strength also appeals to the transit packaging space.

About Us

Anderton Board are a family owned, independent UK business, established in 1850. Known for our flexibility and reliability, we serve as an agent, merchant and converter of solid board and packaging and represent some of the world's leading mills.
