

Anti-slip Coated Layer Pads

Developed for protection and stabilisation of palletised goods. The slip angle of $>65^\circ$ (TAPPI T 548) makes it the highest performing anti-slip paper on the market.

This product will reduce costs associated with damaged goods, transit claims, and minimise disruptions in distribution channels.

About Us

Anderton Board are a family owned, independent UK business, established in 1850. Known for our flexibility and reliability, we serve as an agent, merchant and converter of solid board and packaging and represent some of the world's leading mills.
