

# Lined Grey Board

Via a lamination process, our 100% recyclable lined (or pasted) grey board boasts a much smoother finish - allowing exceptional flatness and a premium finish that makes it ideal for use in luxury packaging, box making, bookbinding and file making sectors.

## About Us

Anderton Board are a family owned, independent UK business, established in 1850. Known for our flexibility and reliability, we serve as an agent, merchant and converter of solid board and packaging and represent some of the world's leading mills.
