

Unlined Grey Board

Our unlined (or unpasted) grey board is 100% recyclable and made from 100% recycled fibres. Boasting a high level of quality and durability, unlined Grey Board effectively serves a vast range of functions and industries. Grey Board is also the most cost-effective solid board solution available.

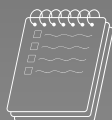

About Us

Anderton Board are a family owned, independent UK business, established in 1850. Known for our flexibility and reliability, we serve as an agent, merchant and converter of solid board and packaging and represent some of the world's leading mills.
